

First announcement

# BIOTRANS 2019

7 - 11 July, 2019 | Groningen | The Netherlands

## 14<sup>th</sup> International Symposium on Biocatalysis and Biotransformations

The BIOTRANS 2019 symposium will showcase recent advances in biocatalysis research, covering various cutting edge topics in the field, from reprogramming synthetic biology and redesign of natural enzymes to development of new (chemo)enzymatic cascades and novel classes of (artificial) enzymes.

### SPEAKERS

Frances Arnold, US, *Nobel laureate*

Donald Hilvert, CH

Helen Hailes, UK

Dick Janssen, NL

Wolfgang Kroutil, AT

Tom Desmet, BE

Huimin Zhao, US

Bernhard Hauer, DE

Alison Narayan, US

Elizabeth Gilliam, AU

Claudia Schmidt-Dannert, US

Todd Hyster, US

Jason Micklefield, UK

Oliver May, NL

Dörte Rother, DE

Rodrigo de Souza, BR

Roland Ludwig, AT

### ORGANIZERS

Marco Fraaije

Gerrit Poelarends

Pieter Tepper

Sandra Haan

Tamara Hummel

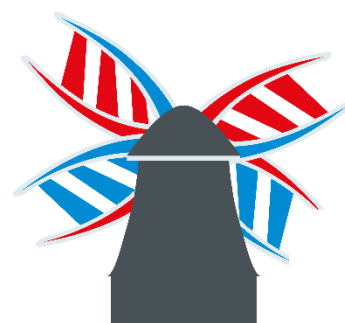

Chienes Metus

*University of Groningen, NL*
